OUR STORY

Since our inception in 1995, we have evolved into one of Canada's leading custom-furniture manufacturers. A lot has changed over the years, but our dedication to high-quality handcrafted furniture and commitment to customer satisfaction has remained constant.

Available in a broad array of custom color finishes and fabrics, our furniture selection has grown to a variety of different products including chairs, barstools, booths, sofas and more! From traditional regal-style arm chairs, to modern tables and sofas, our different styles of furniture accommodates all restaurants, hotels, and senior care facilities.

DID YOU KNOW?

Keca is a family-operated business named after the founder, Pierre Lemieux's children, Kevin and Cathy.

CUSTOMIZATIONS

All of our products are handcrafted and fully customizable by our skilled artisans. Select between our wide range of fabrics, materials, and finishes to make any vision come to life.
