Height:	Round:	Weight:
28.94" / 73.5cm	23.6" Ø / 60cm Ø, 27.5" Ø / 70cm Ø, 31.4" Ø / 80cm Ø, 35.4" Ø / 90cm Ø	21.45 lbs. / 9.73 kg.

Description

Table with HPL round top and 3 legs in polypropylene with fiberglass. The HPL top is resistant to heat, scratch, abrasion, waterproof and inert due to its non-porous surface. UV protection. Stackable. **HPL** A phenolic board is a versatile material that is used in a range of settings. HPL is fireproof, water-resistant, highly scratchproof and wearproof, easy to maintain and resistant to chemicals and cleaning products.

Custom stain finishes are also available
